

# 2019 MEMBER SAVINGS

Does your organization use lab-related products like supplies, chemicals, equipment and safety gear?

You can save on 2.5 million such items plus freight through a partnership between South Dakota Biotech and Fisher Scientific, an industry-leading provider that offers incredible value.

Take a look at how other members like you saved during 2019, then contact your Fisher representative to get started saving in 2020.

Email [joni@sdbio.org](mailto:joni@sdbio.org) if you've not yet been connected with Fisher.
