

# FAST Launch Information Session

February 22, 2023

Virtual | 10 a.m. - 11 a.m.

**REGISTER NOW!**

(zoom link provided after registration)

Join SBA South Dakota, SD Biotech Association, Dakota State University Paulson Cyber Incubator & Entrepreneurial Center, and SD CEO East Women's Business Center for an information session on the Federal and State Technology (FAST) Launch program. The SD FAST Launch assists SD entrepreneurs through the startup phase with training, counseling, and access to potential seed capital for market research. Participants may also prepare for the Governor's Giant Vision Competition and SBIR/STTR funding.
